As always, this double edition is bursting with items, so it may appear a little more crowded than usual, however, it’s an indicator of how much goes on in our busy village, and how important our unassuming magazine continues to be in communicating events in an age of social media and fake news!

We would like to thank all the volunteers involved in getting the Tower to you; and thank you, our readers, contributors and advertisers, for your continued support of our village magazine.

We wish you all a Merry Christmas and a happy and healthy 2019.

Police report for October 2018

This month there have been no thefts from dwellings, but 3 from rural buildings, and a collection box was stolen from the church.

The 7 reported traffic accidents included 4 damage only and only minor injuries, none of which were on the A339. Theft from cars is becoming more common, with side windows being smashed, so please take care not to leave handbags or any other valuables visible, especially in the run-up to Christmas.

There were over 10 cases of anti-social behaviour or assault or public order offences. These are not usually serious in themselves but do cause anxiety in the general public, as do cases of criminal damage, of which there were two this month.

Please be aware of suspicious and unusual activity and report via 101. If patterns of behaviour and descriptions can be built up, this is very helpful to the police.

GREEN WHEELY BINS – Collection days: 5th, 19th Dec, 4th, 16th, 30th Jan

Kingsclere Royal British Legion

By the time this edition of The Tower is on your doorsteps, Remembrance Weekend will be long gone and all the poppies and shadow soldiers will have been removed from in and around the village; only the wreaths on the memorial will remain as a reminder of events. I would like to take the opportunity to thank all members of the community for their positive support to the branch during the build-up and delivery of the village Act of Remembrance.

We have been busy! In September members of the branch visited the Trafalgar Cemetery in Gibraltar and laid a number of crosses on behalf of the village; the Trafalgar Cemetery is the final resting place for sailors and marines of many nations who fought in the battle in 1805.

Trafalgar Cemetery, Gibraltar

Along with the Guides and other members of the community, we have been busy putting together Christmas Gift Boxes for UK servicemen and women who will be deployed overseas at Christmas; as was done during the early stages of World War 1. Although the final total of boxes is yet to be finalised, we expect to dispatch at least 60; spreading a little Kingsclere festive cheer to those away from home at this special time.

We meet in the Function Room of The Crown at 7pm on the first Tuesday each month. All are most welcome. If you would like more detail, please contact me via the Facebook page or call on 01635 628004.

Mark Holden, Chairman, Kingsclere Royal British Legion

Camaraderie

Our next meeting will be on Wednesday 5th December 2018, when The Woolton Hill Handbell Ringers will join us for an early Christmas Celebration. Come along and join us for what promises to be a very entertaining afternoon.

We will be serving a Christmas Tea and there will be a raffle, which is all included in the £2.00 entrance fee.

We look forward to seeing you at 2.30 pm in The Methodist Schoolroom.

Nature Notes

This has been a bumper year for beech mast and acorns and drifts of both have been regularly crunched underfoot. Acorns are known to be toxic to horses but enjoyed by pigs. On a walk in the Newtown Common area we were surprised to see sheep eagerly foraging in the long grass for acorns and munching them noisily. Knowing that sheep are nibblers of short grass, seeing them enjoying the hard shelled nuts was a revelation. The annual custom of pannage occurs when pigs are released into woods to fatten on acorns and is still practised in the New Forest today.

The morning was misty with an autumn sun just showing and making distant trees on the fringe of the Common indistinct. The mist appeared to be particularly thick low down, covering bush and other vegetation alike. As the sun broke through the carpet of mist sparkled as hundreds upon hundreds of cobwebs were suddenly revealed by the angle of the sun and heaviness of the dew.

In a narrow lane a large pine tree at the gate of a house had been felled which had left a stump several metres high. This has been skilfully transformed into a wonderful carving of a pine cone. Sculpturing with chain saws has really advanced.

On the same walk we passed an area where variegated bamboo has escaped from a garden and is romping across the footpath and into the adjacent woodland. It is hard to eradicate once it is established and swamps all woodland plants.

The Common Good: The Story of Greenham Common

December and January Meetings

Our next meeting will be on Thursday 13th December when Clive Williams will give us a presentation entitled "The Nabobs of Berkshire".

The so-called Nabobs tended to be remarkable chaps, especially from England, who made their fortunes

in the Orient and mainly India and working for the East India Company. Clive will tell us of the many who on returning to this country settled in Berkshire and became the "landed gentry" of their day and thereafter. A fascinating story and Clive will bring with him his book of the same title.

Our first meeting of 2019 will be on Thursday 24th January with a return visit by Tony Cross retired curator of Alton Museum. Tony will give us an illustrated talk "A history of Hampshire through ten objects". He will present ten interesting topics he has personally researched in respect of varying aspects of the history of our county. Not to be missed! Come along to hear just what he has to tell us.

Both meetings will be at the Village Club commencing at 7.30pm and visitors will be very welcome at £3 p.p.

"Autumn Sprinkles" Concert 20th October 2018 at St Paul's Church Ashford Hill

We had a heart-warming concert, with some wonderful performances, and a good variety too! Thank you to all who came along and thank you to our fabulous team of people who helped on the night and made it all work!

Sf Sax, Ashford Hill School choir, The Barfield Handbell ringers, Occasions singers had some fabulous pieces to play and sing.

Bruno and Paul with violin and theremin, own composition called "Shortwave", very unusual and creative!

Soloists included Lucy Smith (1st public performance) who stunned the audience with her passionate singing, Hannah Martin playing "The Fjords of Norway" own piano composition to film. Trevor Pitman with his funny story about "Cinderella" and what really happened! Sara Ball (soprano) led the finale song "We'll meet again" with all performers on stage and audience singing a rousing chorus together.

The concert produced over £1,000 (and rising) to be equally shared between Riding for the Disabled (Kingsclere) and St Pauls church.

Our next concert is on 27th April 2019 7pm; Angela Moore and friend, a dual harp concert.

The Church Pages

It's the most wonderful time of the year sung by Andy Williams, first in 1963, is a Christmas song that we'll hear many times before the big day on the 25th. It speaks particularly of the joys of being with loved ones and friends at Christmas.

And if you're looking forward to this wonderful season, then we'd love to see you at some of our classic Christmas events, such as Candlelit Carols in Ashford Hill church on the 16th, an opportunity hear the Christmas story and sing some of your favourite carols accompanied kindly by the Kingsclere Singers; or Midnight Communion in Kingsclere, a popular traditional Christmas Eve service; or the Christmas morning communions in Kingsclere and Ashford Hill. There's also a new Family Carol service in Headley on the 23rd, offering a warm welcome whether you come as a family or on your own, young or old. The Christingle this year is on Sunday 9th at 4 p.m. at Kingsclere, followed by a children's Christmas party. We are also holding our popular Christmas Eve Nativity service at 4 p.m. and the theme this year is The Mystery of the Noisy Neighbour – do join us dressed as your favourite nativity character!

But, in a way because of songs like It's the most wonderful time of the year, it can be a difficult time, particularly when we face loss, when family members are no longer with us. Because of this, I'd like to highlight the Remembering at Christmas service in Kingsclere on the 19th. This is particularly for those who would appreciate a gentler, quieter service before the hectic festivities, with chance to remember loved ones who've died.

As a church, we would love to see you over the Christmas period, whether it is a wonderful or difficult time of the year for you. We believe there is reason for us to be of good cheer, as the song puts it, not because we're surrounded by friends and family, but because of the birth of Jesus Christ, the coming of the Son of God into the world. This awesome event reminds us of the depth of love that God has for the world and for each one of us. I'm praying for that to be foremost in our mind so we can all celebrate this wonderful event no matter what.

I hope you have blessed Christmas and New Year.

Ben.

Flowers in St. Mary's

St. Mary's has a dedicated and happy band of volunteers who ensure that our Church is always bright and welcoming. Even in a difficult year, with repairs and redecoration, we have had some wonderful flower arrangements in Church most weeks. We would like to thank all of the ladies who have made this possible.

We would welcome new members to our team – You do not have to be professional. So – if you have an interest in anything floral, plant based, or any form of art or craft, you may like to expand your skills and join with us. You can do it on your own, in pairs or with a current member of the Flower Team. We would love to hear from you.

Memorial Flowers

The redecorations should be completed by Christmas. The Flower Team are hoping to fill St. Mary's with floral displays to celebrate the Season.

We are always happy to provide an arrangement in memory of loved ones. If you would like to do this – then any donations would be appreciated. We can either dedicate a specific arrangement or put the donations towards the overall floral displays. We will acknowledge all donations and record those who are being remembered.

For more information on the above please contact Pam Kitch on 01635 299743.

Bus of Hope

Happy Christmas to everyone who visited the bus this year.

The bus will be off the road in December and January so it won't be coming to Kingsclere for two months.

St. Mary's Church – Redecoration

By the time you read this, the project to redecorate the interior of St. Mary's should be nearing completion. We very much hope that you will find time to visit the church when all the work is finished, either attending one of the Christmas services or dropping in as a visitor. It is the hope and intention of the PCC that the redecorated and relit interior will enhance our worship and keep St. Mary's at the centre of the Kingsclere community.

You may have a personal attachment to the church, through worship, or through family weddings or funerals. If so, and if you wish to contribute towards the cost of redecoration, your support would be most welcome. Go to The Good Exchange (<https://thegoodexchange.com/what-is-the-good-exchange/for-donors/#find-project>): at the bottom of that page is a 'Donate Now' button which takes you to the various projects. Just look for St. Mary's Kingsclere.

Messy Church

Tuesday, 4th December at Kingsclere Primary School 3:20pm-5:30pm

We are really looking forward to our Messy Church in December, the theme is 'God so loved the world' so there will be an opportunity make some fabulous crafts, learning more about our theme through worship songs and a Bible story. We will then finish off with a delicious home cooked meal. Do come and join us - we have lots of fun. You don't have to be a pupil at Kingsclere Primary School to come along.

For further information please contact Sarah Mussett at sarah.mussett@hotmail.co.uk

Kingsclere Gardening Association

We have no meeting in December. This has never been a good month for attendance, either through weather or other events.

Our next meeting will be the AGM on January 10th, again in the Village Club. Once business is over there will be refreshments; cheese and wine, and a chance to mix and chat.

We are planning a meal/social evening most likely early February, possibly at Sandford Springs. This will be arranged before Jan 10th so we can announce it that evening.

This autumn we have had 3 very good speakers. All of them brought plants for sale so our members will have new introductions to their gardens.

The Speaker for February comes from Hillier Nurseries so again is likely to be a source of plants. Happy Christmas and a great gardening new year.

HeartStart—Join a nation of life savers

Every year, 30,000 people suffer from a cardiac arrest during their everyday lives. Three quarters of those people could survive if they had access to prompt defibrillation.

When used alongside Cardio Pulmonary Resuscitation (CPR) an Automated External Defibrillator (AED) provides an unconscious person who is not breathing with the best possible chance of survival. Bluebird Care, a home and live-in care provider based in Kingsclere Business park is delighted to be working with the charity Heartstart to deliver “Call Push Rescue” training. Bluebird Care has installed an AED device outside its offices in Kingsclere business park, which is available to members of the Kingsclere community to use in the event of a cardiac emergency.

The “Call Push Rescue” training will cover the following:

- ♥ How and when to perform CPR on an adult or child
- ♥ How to put someone in the recovery position
- ♥ How to use a publicly accessible AED device

The one- hour training course will take place at Bluebird Care, 17 Plantagenet House, Kingsclere Business Park, RG20 4SW on January 22nd, 2019. We will be running 2 sessions;

- ♥ Session 1: 5.30 – 6.30 pm
- ♥ Session 2: 6.45 – 7.45 pm

Spaces for this free training are limited so if you would like to book a place then please contact Bluebird care on kingsclere@bluebirdcare.co.uk or contact our office on 01256 762324.

Kingsclere Minis Rugby Club would like to invite you to come along and join us.

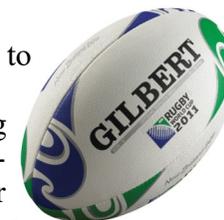

Mini rugby is a fantastic way of gradually introducing children to the great game in a carefully structured format in line with their physical development and motor skills. In addition to keeping children fit, rugby creates a strong bond of friendship and mutual respect not just for team mates, but for opposition players and the rules of the game. The life skills children learn through rugby are invaluable and many of the friends that the children make during their rugby career will be with them for life.

KRFC Minis Rugby is for Ages 4 to 10 years (but please feel free to contact us regarding any other age groups).

We train with RFU qualified coaches from 10:30am on Sundays at the Fieldgate Centre, Kingsclere RG20 5SQ
