## Happy Easter from all the Tower team

Ahhh, to feel the warmth of the sun, watch daffodils, crocuses, camellias and magnolias flower, and see the sun set after 6pm; spring is well and truly here!

The Kingsclere Garden Association celebrates the joys of spring with their 41<sup>st</sup> Spring Bulb & Flower Show on Sunday 7<sup>th</sup> April 2024, see page 3 for more details. Perhaps it's time to try a new sporting activity? Kingsclere Tennis Club is holding an Open Day & Junior Tennis Tournament on Saturday 13<sup>th</sup> April for all ages and abilities (see page 6), while Kingsclere Rugby Football Club is introducing Women's Walking Rugby for ages 18 up to 70+, with the first session on Thursday 4<sup>th</sup> April - you don't even need to be fit to play (see page 8).

Here's to a warm and not so showery April.

# Kingsclere Parish Council

**Chairman:** Cllr Clive Mussett (07800 022432)

**Email:** [clerk@kingsclere-pc.org.uk](mailto:clerk@kingsclere-pc.org.uk)

**DOG FOULING** – We have had reports to the Parish Office regarding Dog Fouling in public areas. South Road, Longcroft Road and our Cemetery are the main reported areas this month, though KPC is aware that it happens all around our parish. All these areas have been reported to Basingstoke and Deane Borough Council (BDBC) and we hope additional checks/visits will be made. Our local CSPO has/will also visit as often as possible. There is a link on the BDBC website which gives the option to upload digital evidence of offenders with their animals. Reporting and evidencing of this antisocial behavior will aid better profiling of the offenders for BDBC and potential prosecutions <https://www.basingstoke.gov.uk/reportdogfouling>. The whole of the BDBC area is under the BDBC (Dog Fouling) Public Protection Order which is now extended and in place until November 2026. Residents are encouraged to report offenders under any circumstances, including those who commit offences whilst being responsible for multiple dogs. The order states that **not having the means to pick up or being unaware of the dog's defecation are not reasonable excuses**. The fine is limited to £1000. There are instances where exemptions are held, sometimes those registered with a disability/some with Assistance Dogs; please do be mindful in your observation and reporting. Please also note dogs (unless Assistance Dogs) are not permitted in the Cemetery. KPC appreciates that most owners and animal businesses are conscientious and law abiding in our community, there must be just a few who are flouting the law. Please do look at the full Protection Order on BDBC website.

**GRASS CUTTING IN CEMETERY** – Grass cutting has resumed in open spaces. KPC asks that grave owners ensure their plots are tidy and in line with the rules and regulations so our contractors can work easily (i.e. no ornaments and flowers/pots on the grave itself). The ashes plots are now very difficult to maintain as contractors cannot/will not safely get between the tablets due to ornaments and flowerpots. KPC fully understands this can be a delicate issue, however the contractors have a job to do, the time taken to remove grave adornments and replace is simply too much, plus they do not wish to handle personal effects. KPC takes no responsibility for items left on graves, these go against the rules and regulations that were signed prior to burial. It is suggested you consider removing delicate items at least for the cutting months. Also be reminded glass isn't permitted, and that individual vehicles with items such as strimming and mowing equipment are not permitted graveside. The whole area is consecrated, therefore out of respect to all, no unauthorised vehicles are allowed into the cemeteries themselves. Plots should not have anything on them that cannot be carried from the car park. The Rules and Regulations are on the KPC website.

## Kingsclere Players Stepping Out

Tickets are now on sale for the Kingsclere Players latest production, Stepping Out. Rehearsals are now in full flow and the group is excited to bring this production to The Fieldgate Centre.

The play is about eight people from very different backgrounds and different motivations who attend the same weekly tap dancing class. At first they show little co-ordination but later develop a level of skill. The dance routines are a background for the focus of the play, the relationships.

The show has some mature content and is suitable for children over 12 years old.

**Stepping Out** will be on at **The Fieldgate Centre** on **Friday April 26<sup>th</sup> (7.30pm), Saturday April 27<sup>th</sup> (2.30pm and 7.30pm) and Sunday April 28<sup>th</sup> (2.30pm).**

Tickets can be purchased from the Fieldgate Centre

## Kingsclere Rugby Football Club

### Introducing Women's Walking Rugby

For ages 18 up to 70+. The first session is on **Thursday 4<sup>th</sup> April 7- 8 pm** at **The Fieldgate Centre**. Walking Rugby is a very easy game to learn; no experience of rugby is needed and can be played with just 4-a-side. It's a great way to exercise, walking as fast or as slow as your body allows with low impact on all your joints; you don't need to be fit to play. The main aim is to enjoy yourself, make some new friends and get a little bit of exercise at the same time. For more information, please contact Joanna Reed-Moreton at **Secretary-Kingsclererfc@outlook.com**, or Geoff Curtis at **Youth-coach-Kingsclererfc@outlook.com**.

The adults team has had mixed fortunes, winning convincingly at home 82-7 against Alresford 2nds on 17<sup>th</sup> February, only to lose 66-5 against Alton 2nds on 2<sup>nd</sup> March. The man of the match for Alresford game was Skaljte van Jaarsveld and for the Alton game was Oscar Harris. The next home game in on **Saturday 13<sup>th</sup> April, kick-off 3 pm**, against Chineham in the first round of the Village Cup. You are very welcome to come and watch.

Our minis play/train every Sunday morning at The Fieldgate Centre between 10.30 – 12 am. If your child/children would like to play sport and you would like to get out on a Sunday morning please come along and meet other children and parents.

To find out more information about the club please visit our Facebook and Instagram pages.

# **The Church Pages**

Dear Friends

In the light of seemingly endless bad news and reports of situations that we can often feel helpless to change, I bring you something that may make you smile. The words are from Garrison Keillor...

"We make fun of Methodists for their blandness, their excessive calm, their fear of giving offense, their lack of speed, and also for their secret fondness for macaroni and cheese. But nobody sings like them. If you were to ask an audience in New York City, a relatively Methodist-less place, to sing along on the chorus of "Michael Row the Boat Ashore," they will look daggers at you as if you had asked them to strip to their underwear. But if you do this among Methodists, they'd smile and row that boat ashore and up on the beach! And down the road! Many Methodists are bred from childhood to sing in four-part harmony, a talent that comes from sitting on the lap of someone singing alto or tenor or bass and hearing the harmonic intervals by putting your little head against that person's rib cage. It's natural for Methodists to sing in harmony. We are too modest to be soloists, too worldly to sing in unison. When you're singing in the key of C and you slide into the A7<sup>th</sup> and D7<sup>th</sup> chords, all two hundred of you, it's an emotionally fulfilling moment. By our joining in harmony, we somehow promise that we will not forsake each other.

I do believe this: People, these Methodists, who love to sing in four-part harmony, are the sort of people you can call up when you're in deep distress. If you're dying, they will comfort you. If you are lonely, they'll talk to you. And if you are hungry, they'll give you a casserole. Methodists believe in prayer but would practically die if asked to pray out loud. Methodists like to sing, except when confronted with a new hymn or a hymn with more than four verses. Methodists believe their ministers will visit them in the hospital, even if they don't notify them that they are there. Methodists usually follow the official liturgy and will feel it is their way of suffering for their sins. Methodists drink coffee as if it were the Third Sacrament. Methodists believe that it is OK to poke fun at themselves and never take themselves too seriously.

And finally, you know you are a Methodist when: it's 100 degrees, with 90% humidity, and you still have coffee after the service; you hear something funny during the sermon and smile as loudly as you can; and lastly, it takes twenty minutes to say good-bye!"

Peace,

*Rachel*

### Hall Floor Up-date

Investigations are continuing. Following advice, we are fixing a roof leak first to eliminate that as the source of our problems. We are carefully monitoring the situation and can assure you that the floor is sound. This is going to be expensive to fix so we would appreciate any contributions towards our appeal <http://www.justgiving.com/campaign/newfloor>. Every little helps!

### Save the Date – Shakespeare in the Garden

# Kingsclere CE Primary School

## Outdoor Learning

The whole school enjoyed a Grounds Day event where children took their learning outside and explored the outdoors. The outdoor learning supported children's learning in many curriculum subjects including art, history and science. Activities included making model Amazon villages, prehistoric art, Easter gardens and finding ways to make large bubbles! Our school has also recently achieved a grant award from 'Learning Through Landscapes' who are providing training and support for outdoor learning activities at our school.

## Sports

Our Key Stage 2 football teams and netball team have competed with other local schools. We were proud of all our children who were able to take part in the competitions. Our girls team reached the quarter finals in the Basingstoke and Deane schools' competition. They lost to penalties in their final game but played brilliantly as a team, taking on board the skills they had learnt and working collaboratively with their team players. We have 70 children who have been training to take part in the West Berks and North Hants Primary Schools Cross Country Championships at Newbury Showground. Good luck to all involved!

## World Book Day

The whole school dressed up as their favourite book character for World Book Day on Thursday 7<sup>th</sup> March. Throughout the day we saw Percy Jackson, Little Miss Sunshine, Hermione Granger, Matilda, Miss Honey, Tom Gates and characters from many different book genres! During the day we also held book sharing sessions where children read with children in different year groups and shared their favourite books. Children also took part in a special library challenge and had a special assembly in which one activity included listening to the World Book Day song by MC Grammar - this was enjoyed by many children!

## Volunteers Welcome!

Thank you to everyone who has got in touch with us to volunteer in school to support with hearing children read and testing times tables in the afternoon. We are extremely grateful for your time. Please do get in touch if you haven't yet volunteered but would be interested in helping. Our school email is [adminoffice@kingsclere.hants.sch.uk](mailto:adminoffice@kingsclere.hants.sch.uk). We will need to carry out a DBS check but can support you in completing this. Thank you.

The Bunnies had a brilliant time at our fun-packed Easter party! With an egg hunt and Easter-themed arts and crafts, there were plenty of activities for everyone. As always, older siblings are welcome along to Bunnies during the Easter holidays. And the excitement continues, as we are now looking forward to exploring new stories at Kingsclere Village Library! The library will open its doors on the first Tuesday of the month, during usual Bunnies hours, so little ones can peruse the wonderful children's section and choose some new books.

We are a very friendly selection of mums, dads, grandparents, and child minders with children, from tiny babies to energetic toddlers, and we love welcoming new visitors to our play sessions. We enjoy both indoor and outdoor play, with a craft table, plenty of toys and singing time too. Thank you as always to Swan Street Stores for their continued support of a weekly donation of fresh fruit snacks for the bunnies. ## April in the Garden

This is a busy month; with the longer days we have a chance to catch up with jobs that the weather and short days have delayed.

Early flowering shrubs that have finished flowering will need pruning; forsythia, chaenomeles, and flowering currant are in this pruning group. Ferns will need cutting down, taking away the old fronds to leave room for the new growth. These are good plants for shady and difficult places in the garden, the leaves give another texture in the garden, early growth can be interesting, and there is a huge variety.

Plant up hanging baskets this month; keep them somewhere under cover to protect from frost. They will take a few weeks to become established. If you are without somewhere to keep them frost free delay the planting until May.

Time to plant out sweet pea seedlings, keeping well watered until established. They will tolerate some frost, but slugs and snails can demolish them. A beer trap might help, otherwise hope that hedgehogs, frogs, toads, and thrushes visit your garden.

Thin out perennials and sow annuals now for summer flowering. Prick out young seedlings into pots; this will give them space to develop.

Tomato seedlings grow fast and are hungry feeders so will need to be potted on as soon as they have a good root system growing through the containers. Peas, spinach, parsnips, carrots, beetroot, spring onions, leafy brassicas, and broad beans can be sown outside now - sow in succession to avoid a glut.

Feed and mulch currents and berries, as these plants make a lot of growth. Container grown fruit trees may be planted and strawberry plants can be potted up.

There is still time to plant evergreen hedges and container grown trees and shrubs. Tie in any climbers; much easier to start early in the growing season before the plants become untidy.

Keep on mowing and weeding the lawns. Later this month the blades on the mower should be lowered, as the possibility of the grass yellowing passes.

This is a lovely time of the year for flowering plants. Lily of the valley is a highly fragrant plant, but beware they can spread rapidly so needs to be contained. Other plants in flower now are snakes head fritillaries, erythroniums, rhododendron, alpine clematis and bergenia, plus many trees will be full of blossom.

## Nature Notes

A shorter entry from me this month, as a week today I gave birth to our second beautiful baby girl, and have not had much time to venture out into nature. In the intense and seemingly never-ending few hours before our daughter's arrival into the world, I was struggling in a dark hospital room with the window open when I heard the birds begin their dawn chorus - a much needed note of hope and a reminder that change is always around the corner.

As the grip of winter loosens, tiny green leaves begin to appear on hedges; buds swell; it feels as though there is a gentle softening of the earth into vitality again. As my baby's tiny crumpled ears gradually unfurl with each day, so do the petals of the daisies hidden in the lawn.

*daffodils*

*honeybee on crocus*

Spring is certainly starting to reveal her colours, with the bright yellow daffodils nodding to us from the roadsides and the branches of the cherry trees popping with pink and white blossom. We were surprised to already hear - and then see - two large bumblebees busy collecting nectar from crocuses in our front garden.

On one tentative walk with the new pram, I spot a female blackbird tearing moss from a damp brick wall; the birds are busy preparing for the next generation. The crows have returned to the hollowed branch in the oak tree opposite our house and I watch them return again and again with twigs in between chasing off nosy starlings.

We have always encouraged our elder daughter to smell flowers and, until last week, she has been fairly ambivalent about the experience. Our efforts were vindicated when she encountered her first hyacinth and gave it the type of energetic sniff that only a toddler can; she was bowled over by its sweet scent and now looks out for them wherever we go. I can't wait to introduce her to all the other wonders that spring will bring.
