In November Kingsclere lost one of its oldest residents, Doris Barron. I was saddened to hear this news as Doris was my neighbour when I arrived in the village in 1999. Within hours of the removal van disappearing she came to introduce herself. She was keen to hear about my hobbies and interests, and subsequently introduced me to a number of people.

Time spent in her company was entertaining owing to her spirit, enthusiasm and curiosity. Doris was always eager to know what everyone was up to, and what was going on in the village. Even as she became increasingly frail, she was determined not to miss out on anything.

I have an old birthday card on my wall with a slogan that makes me smile, “Life should not be a safe journey to the grave in a well-preserved body, but rather to skid in sideways, champagne in one hand, strawberries in the other, screaming Woo-Hoo – what a ride!!!” Doris is a great example of someone who lived life to the full and immersed herself in the community. I’m sure many who knew Doris will raise a glass to her in May, on what would have been her 100th birthday to remember a formidable friend. **Editor Sarah**

It seems that the hedges are still growing despite the season and coupled with the strong winds of the last few weeks, that has caused access problems again in some areas of the village. The mild conditions have encouraged growth, making some of the boundary hedges top heavy, leaning over pathways and blocking access or making it difficult for people to use them. If you are responsible for a boundary hedge bordering a footpath, can you ensure that it is not impeding access for others please. Thank you.

Kingsclere Neighbourhood Plan

Thank you to the 242 residents who took the time to respond to the Questionnaire posted to households in October. The results are available to view on the Parish Council web site (follow the link from the Neighbourhood Planning tab) and the drop in centre at the Village Club. Even though the closing date for the questionnaire has passed, we continue to welcome views of all residents regarding the future development of our village. We would particularly welcome views from households with children – disappointingly only 26 returned the questionnaire!

Affordable private housing, social housing and senior citizen bungalows were the top three choices for future development. Other issues of concern were traffic & car parking, safety & security of residents, protecting our built environment, facilities for the elderly and children & young people and supporting existing businesses.

The NP group are now looking at potential sites for future development and will shortly be engaging professional help to assist us in our task. We continue to welcome anyone who would like to get involved with developing our Neighbourhood Plan. For more information contact the **Parish Clerk or Sue Adams sueadams@madasafish.com**

Defibrillators

I am delighted to say that enough money has been raised to purchase one of these machines. The grateful thanks of the village go to an anonymous donor, also Councillor Keith Chapman and Four Lanes Trust Charity for making this possible.

Arrangements are now under way to train responders and install this machine.

Thanks to everyone concerned, if a threat to life occurs we shall now in some circumstances have the means to avert the worst.

There will be a full explanation next month.

Village Market

How time flies. It is two years since I took on the task of upgrading the market, and what a grand number of quality stalls we have. This is not only because of products on offer, but you the customers who come back each month and purchase, have a coffee, tea and a chat. The jams, preserves, cakes, pies, bread etc are all hygiene-certificated; fresh eggs, household products, wools, silks, buttons, needles etc, hand-made cards, craft items, garden plants, flowers bulbs, body lotions. We also have a stall selling donated items on behalf of the North Hants hospice, organised by Janet Jones. So come and see what is on offer.

**The market on the 22nd Feb opens 10am-12noon,
free entry. Watch this space - April is coming?**

**St. Michael's Hospice Fund Raising
Brew 'n' Bake 2013 for St Michael's Hospice**

A massive thank you to everyone that supported this year's Brew 'n' Bake. We raised over £900 for St Michael's Hospice!!! Again, hopefully we can get this matched to bring it to a whopping £1,800. The calibre of entries matched last year's very high standard, with 21 pudding entries, 2 beer and 9 wine entries. It was a very close competition across all the categories, but was won by Hannah Mitchelmore for her Chocolate Malt Cheesecake for the pudding class, Simon Smallwood for his Trumplers in the beer class, and joint winners for Stuart Boyd for his Lucas's Libation red wine and Beth Theobald for her Sloe Gin . It was a very hard job for all the voters, as there were so many amazing temptations.

I would also like to thank the people who, without their amazing generosity, we wouldn't have got anywhere close to the total we did. These include, in no particular order: Thrupton Racing, Newbury Racecourse, The Wellington Arms, The Crown, Sandford Springs Golf Club, The George and Horn, The Rowbarge, Andwells Brewery, Stone Circle, Berry Bros Rudd, Nelsons Diner, Wyatts Butchers, Bloom2, Amanda Bates, Feel the Beat, Celeste Purdie, Sam Cruickshank, Claire Ellis, Fi Smith Art, Life Venture, Nicki Peach, Jenna Burlington, Emma's Café, Slimming World, Mr Bignell, L Titcombe and P Murray Funeral Directors, Kingsclere Film Club and Tadley Shoe Repairs. Also a big thank you to all the people that helped on the night ☺

Next year we will be looking at a bigger venue!!

Nature Notes

In late December rooks were seen at a rookery perched beside last year's nests. It is little short of miraculous that these twiggy structures have survived the extremely high winds and driving rain of this winter. Yet there they are, waiting to be claimed and refurbished for the new season's eggs. Some less expertly built nests will have collapsed though. Rooks nest early and dominant birds will occupy the safer central part of a rookery, lower status ones have to be content to build at the edges. Skirmishes occur as sticks are filched from neighbour's nests and it is interesting to watch rooks carrying sizeable sticks held in a variety of ways without impeding their flight.

A single lesser redpoll is visiting the nyger seed-hopefully more will follow. Up to six were seen in the garden last year.

On a recent walk we had to make frequent detours from the footpath due to ivy fall. The obstacles were huge and unyielding and revealed how vigorous and inter twined mature ivy can be. In some cases the tree or part had been brought down also. Ivy we know is not a parasite and so does not affect a tree directly but if the tree weakens then the weight of ivy growth can be a factor in its demise as can its bulk during high winds. The countryside would be poorer without it however as it gives nesting places for birds in the Spring, late flowers for bees, berries in Autumn and Winter and masses of rich, green colour in the barest part of the year.

Something to make you smile

With the view to buying a pleasant country cottage, a young couple went to see the vicar of a small rural parish and asked him if such a cottage was available. The vicar, on behalf of the owners, showed them around a small cottage that was for sale. Later, on returning home, the couple remembered that they had not noticed a W.C. in the cottage, so the young man wrote to the vicar and enquired where this might be. The vicar thinking they meant the Wesleyan Chapel wrote this reply:

Dear Sir,

I was very pleased to receive your letter, but regret to inform you that the nearest W.C. is 50 miles away, which is most unfortunate if you are in the habit of going regularly.

It is a lovely little place situated in a beautiful valley amongst pine trees and it may interest you to know that many people make a day of it, setting off early in the morning and taking a picnic. Some travel by car or bus, others walk and arrive just in time. A bell rings 20 minutes before the W.C. opens and there is plenty of standing room for those who arrive late. Inside, everything is most appropriate with 80 plush seats and beautiful carvings on the walls. The children sit and sing during the procedure. Hymn sheets are found hanging behind the door, and there is an organ accompaniment.

I hope this information has been useful and that you will make it your business to attend often. I myself have not been for 5 months and you can imagine how this pains me very much.

Yours faithfully,

The Vicar.

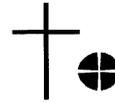

The moral I think to this tale is that communication is key; we can never take for granted that people know exactly what we mean, so clear communication is necessary, yet seeing the funny side when the wrong end of the stick has been grasped helps to sustain good relationships.

We also have to be prepared to acknowledge that, sometimes, we get the wrong end of the stick when it comes to listening to God, at times we will interpret God's will wrongly, and, for the less serious times, when we do I pray that God can see the funny side of our humanity.

I am convinced that God does because God is love and love is patient and kind.

Wishing you joy and peace throughout 2014

Rev Trish

Care Lunches

May I take this opportunity of a new year to thank all those who cook, shop, prepare the vegetables and become waiters and waitresses in the Kingsmill room, or do the less glamorous job of simply washing-up at our monthly Care lunches. Diabetics are catered for. It is fun wondering what will be served today and we always have a choice of delicious desserts. What a joy it is not to have to cook for oneself or eat alone. It is one way of getting to know people quite well.

I am amazed how they can provide these good nutritious hot meals at so little cost to us. Well done to the team for these wonderful meals, and I am sure we all appreciate them, even if we don't say so.

Christingle Service

A huge thank you to everyone who came to the Christingle service at St. Mary's Church. The service had a very special atmosphere with more than seventy adults and children making their own Christingle oranges (and eating any sweets left over!). A total of £198.80 (including £80.61 from AH & Headley) was raised for The Children's Society. Thanks also go to the team of volunteers, who did a brilliant job of ensuring that the service ran both safely and smoothly, and to Howe & Son for donating the oranges.

The Children's Society boxes are due to be opened at the end of January; could box holders please either give them to Rev Lucy Thirtle or telephone me to arrange collection. If you would like to donate money by keeping a collection box in your home I will be happy to provide you with more information.

Village Christmas Day Lunch

If anyone was mystified by seeing two people pushing a steaming wheelbarrow along Swan Street around lunchtime on Christmas Day, it was only the roast potatoes for the lunch in the Kingsmill Room being delivered (thanks Tom and Mary!)

Thanks to their efforts and that of many others, 36 villagers ranging in age from 4 – 84 years sat down to enjoy a jolly Christmas Day lunch together. After sherry and nibbles, guests were served a meal of roast turkey, pigs in blankets, roast potatoes, parsnips, carrots, peas, red cabbage and sprouts with all the trimmings. Entertainment was provided before and after the meal by Kate Izzard, the Freeman family and David Goodfellow. Particular thanks are due to the organising supreme and master chef, Pippa Ashton, who was ably assisted by Mary Sneyd but many more people made the event possible by contributing in a range of different ways. Sincere and huge thanks to those who know who they are for generous donations of wine, food, table gifts, raffle prizes, crackers, and financial support as well as of practical help with decorating the room, providing transport, washing up etc.

A really happy time was had by all. So we hope to offer another one in two years' time but if this year's experience was anything to go on, those wishing to come will need to get their name down early!

The quiz and buffet night on the 6th December was an enjoyable and sociable event. Many thanks to those who attended and helped to make the evening a success.

Thanks also to those who came along to our French version of the Eco-cafe on the morning of the 7th December. We did a steady trade in croissants, pains au chocolat, brioche and a variety of hot drinks. We would like to thank Louise Porton for all her help with the morning.

This month the committee will start to plan for the visit by our friends from Cormicy which will be taking place on the week-end of the 5th and 6th July. We would be very grateful for any offers of accommodation for that week-end. We will be organising a programme of activities for our visitors but there will be opportunities to spend time with your guests if you wish. The group from Cormicy usually contains several children so this is a good opportunity for young people in Kingsclere to practise their French!

Samaritan's Purse Shoe Boxes Operation Christmas Child.

I had a letter this morning thanking KINGSCLERE for 95 full shoe boxes -very well done!

I waited on the 28th of November but no one came. Luckily as it turned out as one more box arrived before they were collected on the following Monday.

I know some of you are following your box on the Internet to see where it goes.

Anyone contacting Operation Christmas child can have a free DVD to watch the children's delight and hear their stories- some will break your heart.

Thank you once again to individuals, families, the Methodist church and St Mary's church. You all gave an extra special Christmas gift to someone who can never thank you personally. I hope you will be able to help again next year.

Fabulous February Felines

In our January update for Andover & District Cats Protection, we featured Dash, a lovely cat who had been with us for a little while. I'm glad to report that unusually for the start of January, Dash was one of three cats who have been found permanent homes.

As soon as one cat leaves our care however, another one or two arrive to take their place. This is in the home of one of our volunteer fosterers, or in one of our over-subscribed cat pens. This is why quite frequently you may see a new page or two of cats going up on our website, or new cats posted in our Facebook group.

If you are in a position to help, there are several ways you can get involved:

Consider becoming a fosterer for the charity. We cover all vets fees, and supply food and litter.

Come and support us directly at any of the events found at www.andovercats.org.uk/EventsPage.htm

Purchase one of our 'meals for cats' on our EBay site:

This month, we are looking for a home for Matt, which might be with or without his sister Betty. Matt is a very large, five year old, friendly tabby. He comes from a multi-cat household so would be happy to be homed with his sister Betty or to move in with another friendly cat. If you can offer Matt a home, please do get in touch on Facebook, or by telephone: 01256 892019.
