Your Village Magazine

Layout Volunteer Needed

Are you interested in design/graphics packages?
 Fancy bringing some extra creativity to the Tower's appearance?
 We need an additional Layout team member to format the magazine. Computer literate, ideally with some knowledge of a graphics/publishing package such as MS-Publisher. Training provided.
 Our Layout team work alongside the month's editor to design the layout of these 'white pages' (not the chevron-edged advertising pages, which are done separately). Each layout person works on 3-4 magazines a year. The majority of the Layout activities typically take place between 12th-26th of the month, around 6-10 hours per month in total.
 Please contact the editors for more information.
 Thank you!

Neither the Editor, nor the Management Committee accept responsibility for the opinions expressed or the goods and services advertised in the Kingsclere Tower magazine.

Kingsclere Parish Council

KINGSCLERE PARISH COUNCIL (KPC)

Chairman: John Sawyer (297221)

Clerk: Louise Porton (298634)

email: clerk@kingsclere-pc.org.uk

Office: 37 George Street, Kingsclere RG20 5NH

Public Opening: Mon & Wed 9:30-11:30am

VE DAY 75th ANNIVERSARY – Friday 8th May 2020, has been designated by the Government as a Bank Holiday to enable as many towns, parishes, district, community and other councils, along with individuals, voluntary organisations, the holiday and hospitality industry including pubs, clubs and hotels etc, to join in the VE Day 75 celebrations, so we do hope that you will take part over the VE Day weekend of the 8th – 10th May 2020, providing you with the opportunity to pay your personal tribute to those who gave so much to ensure we all enjoy the freedom we have today.

The Parish Council is willing to produce a flyer detailing all of the events that will be occurring in the village to commemorate this important time. Please send the Clerk details of any planned events for inclusion when available – a reminder will be published nearer the time.

VILLAGE DIARY – The Village Diary was created as a central place to check for events, not only for those wanting to see “What’s on” but also as an aid to avoid booking an event when there is already something else going on. If you would like your event listed in the online village diary, please send the details to the clerk at the above email address.

NEXT PARISH COUNCIL MEETING – will be at 7:30pm on Monday 19th August 2019, in the Village Club, (unless otherwise notified). We welcome the attendance of all parishioners at our meetings and anyone who wishes to raise any matters of concern will be given the opportunity to do so.

GREEN WHEELY BINS – Collection days: 14th and 28th August

Police Report

Kingsclere and Ashford Hill

There have been three reports of damage to vehicles. The first incident was at 2am on 1 June, to a van at Strokens Road. A similar report was also made at Elm Grove. On 8 June, a vehicle parked overnight at The Crown pub was damaged.

In other news, on 31 May, a TREK mountain bike was stolen from a garage at George Street. On 7 June, a CCTV camera was stolen from an address at St Mary’s Road. On the same day, someone attempted to steal lead from an outbuilding at Foxes Lane, and several GIANT bikes were stolen from another address in the same street. On 19—20 June, a Honda quad bike was stolen from Baughurst Road.

Did you know? According to the charity Missing People, someone is reported missing every 90 seconds in the UK. The most common reasons include problems at home, abuse, mental health issues and dementia. Children and teenagers are more than twice as likely to go missing as adults. A vast majority of missing people are found within 24 hours, and over 96% are found within a week.

Fraud prevention advice There have been further reported incidents this month where persons have been cold-called by people pretending to be from the police. The person receiving the call is asked to attend the bank and withdraw cash, which is then handed over to a courier. This is a scam! Genuine police officers would not ask you to do this.

Dear Editor,

My sons’ and I would like to thank all the wonderful people of Kingsclere for all the cards, messages of sympathy and offers of support received following the death of my husband Nigel. We were totally overwhelmed by them all. Thank you also to all those who attended his funeral, donated to the UK sepsis trust, and for the ongoing love and support we continue to receive.

Nature Notes

On a recent trip to Catalonia we had an opportunity to cross into France to travel by barge on the Canal du Midi, an interesting trip especially down the lock ladder but very noticeable how the scenery must have been transformed recently. Ash die-back has seriously affected bankside trees leaving them bare and twiggy and as the trees are removed they are being replaced with a different species, possibly plane saplings. This results in a more open feel to the area.

While swallows, swifts and housemartin numbers are low in our own area, swifts and martins were truly abundant in N.E. Spain. Hordes of swifts flickered over the buildings and in one instance were using nest holes deliberately built into a hotel wall, the nestlings with their heads at the entrance of each ready to snatch a meal from the parent. In a hilltop fortress town we visited martins in hundreds found ideal conditions for nest building on the rough stone walls and beneath the projecting terra cotta tiles.

The HLOWWT has a new reserve and we went to see it recently. The site lies between the River Test on one side and the redundant Romsey canal. It is old farmland which was viable only by pumping out water but has, over time, reverted to natural bog and rough pasture. Skeleton trees stand in the centre having succumbed to the wet and the whole area has grown wonderfully wild with vegetation and flowers. Access paths have been laid and areas fenced off to allow British white cattle to graze. The old canal was full of colour along its length with brandy bottle lilies.

This is Lulu, she is around 14 years old and in good health for her age. She is looking for a quiet retirement home with no young children or other pets. She has not really been out much but might enjoy a potter around the garden on a sunny afternoon. Last month's cat, Saffi, has been lucky to find a lovely home in the country.

Our Pawesome coffee morning back in May was very successful and we managed to raise a fantastic £250 to help the cats in our care. Thank you to everyone who came along to support the event.

Whilst the weather is particularly warm, it's important to make sure there are plenty of shaded areas in your garden for your cat to take shelter whilst out and about. It is also important to make sure there is plenty of fresh water available for them to drink; they prefer this to be away from their food source.

Dave Turlin

We were deeply saddened by the sudden death of Dave Turlin. Dave was our cleaner, but he was much more than that. He was committed to the success of the Fieldgate Centre, going out of his way to make sure users of the centre were set up for their events and becoming part of the team that run the Youth Club. As a keen gardener he brightened up the flower beds where he planted many new plants. He will be greatly missed.

Thank you to all those who supported us and came to cheer their ducks on at the 2019 Duck Race in June! Congratulations to the Dymond family, Ellie (5 yrs) and Phil and Maggie who came 1st 2nd and 3rd, winning £50, £20 and £10, as well as Sue Earl whose last duck across the finish line won her a solar powered dancing duck! We look forward to seeing everybody at the 2020 Duck Race.

The money raised from this event will help welcome our Cormicy visitors, whose next visit is anticipated in May 2020 – please await further details regarding their visit. The Twinning Association has also recently donated a sum of money to Kingsclere Primary School to thank them for their support.

We always welcome new members. Why not consider joining in 2019-2020? Family membership is £5 per year and includes reduced admission prices to most of our events, free monthly French conversation/class (from beginner to conversational level), and the opportunity to visit Cormicy in the beautiful Champagne region of France. Please contact kingscleretwinning@yahoo.co.uk or telephone Sue Watson on 01635 298940 for details regarding membership or hosting.

Regretfully, our planned visit to the carnivorous plant nursery has been cancelled, as we had so few members interested.

Our summer show this year is on Sunday, August 18th, at the Fieldgate Centre. Staging of exhibits is from 9.30am. Judging is from 11.30am, doors open to the public at 2.30pm. Prize giving will be at 4.30pm. Schedules will be available in the library and the village butchers. There will be a tombola running during the afternoon and there will also be refreshments available. Classes for photography, and children's exhibits included.

Our programme of talks begins in September on the 12th, in the village club.

The Church Pages

What a difference no school run makes to my life! No frantic mornings making sure everything is ready for the day ahead. No scrabbling around for swimming stuff or gym stuff. No desperate rushing to try and make the back of the line as it moves into class! How the day begins differently when there is no deadline to get somewhere! And I bet the children are appreciating not being bossed around for 15 mins by two panicking parents, desperate not to be late! I suppose another approach might be just to be late but at the moment, we're trying not to do that, and to take bit of responsibility for them, which I guess is liberating for them even if they don't know it!

One of the great freedoms of being a Christian is that God is our Father and we are his children. Being children of God is something we've been thinking about quite a bit on Sunday mornings. One Bible verse that springs to mind is See what great love the Father has lavished on us that we should be called children of God! (1 John. 3:1). It reminds us of the abundance of God's love shown in Him inviting those who believe into His family. It means that God is no longer someone to hide from or cringe in fear before, worried whether He will approve of our lives or not, but He's a God we can run to like a child would their parent. The love we feel for our children is only a glimpse of the love that God has for His children. He, after all, sent Jesus to die for us so that all could have the opportunity to become His child.

We'd love to welcome you one Sunday morning at Kingsclere church and hope that when you come you might sense something of the presence of the God who lavishes His love on us. As I write that word 'lavishes', it feels a bit outrageous, even uncomfortable, but that's the God we have. Each Sunday, we meet at 8:45 for breakfast followed by the service beginning at 9:15. Services are also held at 8 or 11 on other Sundays – please see details in this magazine.

I hope you have a great August, with plenty of time to rest, and the chance to ponder the lavishing love of God.

Blessings,

Ben

Changes to St Mary's Church Interior

Since last month's entry in the Tower the next set of plans have been prepared and are currently on display just inside the West Door of St Mary's.

We have included a drawing of the mezzanine floor arrangement in the Kingsmill Room to show how it will enhance the existing windows and make them visible on both floors using a 'trough' type arrangement. We have added light to the upper rooms by incorporating light from the Chancel area.

Much needed additional space will be created by the addition of this mezzanine floor which can be used by local groups and societies.

We have also included four different seating layouts to show how much more flexible the seating will be in the Nave of the church. This will allow for larger group meetings and concerts along with the flexibility of a large open space. Using individual seating, which can be easily stored, we will be able to adapt the area for many different uses.

The plans will remain on show and be updated as we make any changes.

Please don't forget that we have available an email address for you to make your ideas and suggestions known to the project team so that we can discuss and enhance our plan as we progress the project: Project.team@stmaryskingsclere.co.uk

Our plans are about to come under the watchful eye of the church authorities as we have a visit during late July to discuss what we are proposing.

The team will be on hand during the church fete on August 26th to discuss your thoughts and ideas.

A lot of comment has been made about 'how long will this take'? 'When will the work start'? How much will it all cost? Will the church have to close? We haven't got those answers yet but we will continue to seek the opinions of the people of Kingsclere to achieve a final plan. We are confident that as soon as our plan is complete, we can start the more intense process of preparing technical specifications to determine the cost of the project and start to plan its implementation.

Friends of St Mary's Kingsclere Ltd

Many thanks to all of you who helped make our **Art from the Attic Sale** in mid-June such a great success, either by donating pictures for sale or by buying them. We were extremely pleased to have almost 300 items to display, in a wide variety of styles and subjects, to suit every taste and pocket. Thanks to your generosity, the Sale itself raised the splendid total of some £2,000 towards future fabric restoration and repair works at St Mary's, and we also have a considerable number of unsold pictures to carry forward. We are at present working out how to make best use of this bounty, which will boost the final figure even higher. Watch future issues of The Tower for details!

As last year, we will be manning a **FOSM recruiting tent at the Church Fete** in August. In a village of some 3,000 people, our membership is currently only about 150. Individual membership is only £10 a year, or £20 for a family, and it is an extremely worthwhile cause. You support our events magnificently and generously, but we'd like more of you as Friends, so do come to see us!

Kingsclere Royal British Legion

Wow! We hope you enjoyed the D Day 75 convoy which came through the village 22nd of June, a once in a lifetime event for our great community.

The branch held a Waterloo Supper night in The Crown on the 28th June, to remember the 8 Kingsclere men who fought and sadly were killed in action at the battle; the event went well with more memorial suppers planned.

Those who walk through the churchyard will have seen the new Commonwealth War Grave headstone remembering Private Leonard Cramp; who was injured in France during World War 1 and underwent recuperation here in the village. We believe Leonard married a local lass and at some point died of his wounds. The work to have him remembered has been a long journey, but thanks must go to the Parish Council and St Mary's committee for their dogged determination to get this important work completed. A dedication service will be conducted before the launch of this year's Poppy Appeal in late October.

With agreement from the family, we plan to place a memorial stone in the Memorial Garden outside of The Crown for Jim Beasant, our last D Day Veteran who sadly passed away in January this year. Current plans see this event conducted on the last Saturday in August and we would welcome your support.

Plans for the 2019 act of Remembrance are underway and our new village Poppy Appeal Organiser, Mike Carrington, is busy with his preparations for the Poppy Appeal Launch. If you or your organisation wish to have a wreath to lay at the Remembrance please contact either Mike or Tracy Holden (01635 628004) who will arrange for a wreath to be ordered for you; earlier the better to enable the team to get organised!

Our village branch continues to grow steadily in numbers and in our planned events and socials, so why not come along to a meeting which we hold every first Tuesday of the month in The Crown, starting at 7pm or join us for Brunch! This is a great way to support our community!

Kingsclere Village Bunnies Baby and Toddler Group

We all had a brilliant time at 4 Kingdoms Adventure Park for our summer outing last month. From train and tractor rides to go-karts and soft play there was something for everyone. The staff were great at entertaining the children who all had fun exploring the park. All of the children enjoyed the lovely weather and a ice cream to keep them cool as a summer treat from Bunnies.

We will be running sessions through the summer holidays, keep an eye on our Facebook page for updates. Older siblings are welcome, the more the merrier. Often our holiday sessions are a lot quieter so if you haven't been before, this is your chance to find out what we are all about, come and join us!

Where: The Village Club, George St

When: every Tuesday, 9am-11am

Cost: first visit free. After that, £1 for bumps and unweaned babies. £2 for first child (including snack donated by Swan St Stores) and 50p for additional children.

Busy Bees Pre-school Kingsclere

Thank you to all who attended our Fun Run, it was a great morning raising some much needed funds for the pre-school. Everyone enjoyed the stalls and their picnics so much, it could be an annual event!

We need to say goodbye to our Butterflies and wish them well as they move onto school. We are also looking forward to welcoming our new children and their families in September and our caterpillars are growing into butterflies and will be the big kids!

Busy Bees is closed for the summer holidays and we will reopen on Thursday 5th September 2019.

Thank you to our Committee for their support this past year.

Charlotte De Souza

THE PARENT TEACHERS ASSOCIATION OF KINGSCLERE PRIMARY SCHOOL

Now that the term is over for the year, we would like to say a massive THANK YOU to all who attended any event that we ran during the term. We really appreciate all the support that you provide and the funds go directly back into the school for the children to have increased learning opportunities.

With regards to funding going back into the school, at a recent meeting, we agreed to pay for 15 new iPads for the school. We couldn't do this if it wasn't for you (the villagers/parents/carers), so more thanks! This is part of a longer-term plan that the school are implementing in regard to updating current IT equipment and getting more new equipment to benefit the children in their day to day learning.

As I am sure neighbours of the school are aware, the 3rd annual Kingfest was held recently and was a humungous success, raising just under £2,000! We would like to thank all who attended and of course special thanks to the neighbours of the school who could hear our glorious band, we hope you enjoyed it as much as we did!

Upcoming for September, we have our Autumnal Ball at Sandford Springs Golf Course. Tickets are £45 each and include a welcome glass of prosecco, 3 course meal and disco with an addition of a photo booth this year! Tickets will be available from the school office in the new term.

Hope you all have fantastic Summers and we look forward to seeing you at one of events in the new term! Keep a look out in next months Tower for dates for your diary!

If you require any further information about any of our events or want to get involved, please contact fksccommunity@yahoo.com.
