## Help wanted!

Do you enjoy working in Microsoft Publisher (or similar) and have a few hours to help your village approximately 4 times per year?

The Tower is in need of an additional layout person to put the magazine together. You will share this with 2 others, and so do this 4 months out of the year - dates agreed in advance. Plan for several hours 1-2 days in the middle of the month once you've been fully trained.

Experience of Publisher (or similar) very useful, and reliability and the ability to work with sometimes tight deadlines essential.

Please contact the editors at the email address below for more information, and thank you in advance!

Neither the Editor, nor the Management Committee accept responsibility for the opinions expressed or the goods and services advertised in the Kingsclere Tower magazine.

# Kingsclere Parish Council

## KINGSCLERE PARISH COUNCIL (KPC)

**Chairman:** John Sawyer (297221)  
**Clerk:** Louise Porton (298634)  
**email:** clerk@kingsclere-pc.org.uk  
**Office:** 37 George Street, Kingsclere RG20 5NH  
**Public Opening:** Mon & Wed 9:30-11:30am

**ELECTIONS** – Please remember to vote on 2nd May 2019.

**NEXTDOOR MAIL** – We have received some enquiries about mail that has been delivered to many residents from Nextdoor. The organisation would appear to be genuine but the Parish Council is unable to give advice to residents about whether they should join or not. If you would like further information, an internet search for the company should provide you with some information and there are some reviews available.

**BONFIRES** – A complaint has been received in the Parish Office about bonfires. If you do need to light a bonfire please be considerate of your neighbours. Basingstoke and Deane has produced a very helpful leaflet which is available on their website <https://www.basingstoke.gov.uk/EH-advice-leaflets>

**SCHOOL PARKING** – Please be reminded to park considerately when picking up and dropping off children at Kingsclere Primary School. There have been several occasions when residents in the vicinity of the school have not had their bins emptied. Enquiries with Basingstoke and Deane Borough Council have revealed “they had been unable to access the Close due to parked cars”. Inconsiderate parking is seriously impacting residents and we kindly ask you to consider where you park your car.

**ANNUAL REPORT** – The Annual Report is in the process of being compiled. Any organisation that was unable to provide a report for the Annual Assembly is invited to send a written report to the clerk asap.

**BIN COLLECTION** – There will be no changes to the bin collections over the Easter Holiday period (even on Good Friday and Easter Monday) so please put your bins out as usual.

Our next meeting will be on Sunday 28th April meeting in the garden of the Village club at 9.45am. New volunteers always welcome.

## Kingsclere Royal British Legion – April 2019

The branch held its second monthly Brunch Club on Saturday the 02nd March at 11am in The Crown which attracted 18 attendees including some new faces who were eager to see what we do and what we have planned for the year.

The event was a great success and a chance to get together and swap ideas and thoughts. Look out for posters around the village with the details of the next Brunch Club which is planned for the 06th April 2019. Please come along if you can, we just need numbers the day before!

Our late-Easter Fete is being planned for Saturday, the 27th April 2019 from 12 noon; the posters are already up around the village with the details. We have another “Super Raffle” with the top prize being 2 tickets for a West End show donated by Lord Webber, amongst other fantastic prizes. Tickets for the Super Raffle will be available soon!

Our village branch continues to grow steadily in numbers and in our planned events and socials, so why not come along to a meeting which we hold every first Tuesday of the month in The Crown, starting at 7pm or join us for Brunch! This is a great way to support our community!

If you have any questions, please contact me on either my RBL email, Kingsclere.Chairman@RBL.Community or via 01635 628004.

## Nature Notes

The designation of Spring by the Meteorological Office as March 1st is an invitation for the elements to shout, ‘Oh no it’s not’ and to batter these isles with everything they have in their armoury. Traditionalists still prefer to wait until

the 21st of the month to think of Spring, which is roughly in line with the Equinox and to be aware of the old adage of March coming in like a lion; let us hope that the last part of the saying; going out like a lamb, holds true.

Large flocks of geese settled onto the pasture at The Vyne, Canada geese on the upper part and Graylags below and a clear gap between the two. It seems probable that high numbers involved dictated clan loyalty which is not always the case and we often see a few graylags quite happy in the company of their N. American cousins. The occasional sight of a hybrid shows that sometimes fraternisation reaches a new level among some birds.

A resident alerted us to a strange sight locally. The plants on a roadside bank with a field beyond were festooned with a grey sheet of web which stretched along the road for many yards. Long strings of the same material connected the taller plant stems. Further into the field the same thing covered a patch of a low growing crop. Sheets of gossamer seen on dewy autumn morning are the work of spiders but what would they achieve on a cold February morning when supplies of insects are low? Was it even the work of spiders? A mystery!

It was good to see a song thrush in the garden recently and broken shells of snails lying on a flagstone, evidence of its meal.

### Basingstoke Male Voice Choir

The Sound of Music...Basingstoke Male Voice Choir, Open Evening Singing has been around for thousands of years. It's one of the most popular hobbies and pastimes in the world. Why do we sing? Very simply, because we love it.

One of the most surprising aspects of singing is the health side. Did you know that singing has been proved to be therapeutic both for the body, the lungs and the mind? This in turn brings the sense of well-being that all singers recognise.

Our choir has been singing here in Basingstoke for over 50 years. We'd love to show you what we're about so come along to our **Open Evening on Tuesday 23 April at 7:30PM** at the **United Reformed Church, London Street, Basingstoke.**

### Basingstoke Choral Society

Saturday, April 6th.

The Anvil, Basingstoke, 7.45pm.

Mozart - Requiem

Janet Wheeler – I Sing and Ever Shall

with

New London Sinfonia

Conductor – David Gibson

Mozart's magnificent 'Requiem' is a work shrouded in mystery. Beset by ill-health in the summer of 1791, Mozart was visited by a 'mysterious man in grey' who commissioned this work on condition of the utmost secrecy. This person, we now know was employed by Count von Wazlegg-Stuppach, a keen amateur musician, whose wife had died earlier that year. The Count's intention was to try and pass the work off as his own and dedicate it to his wife, hence the need for secrecy. Unfortunately, when Mozart died in December that year the work was incomplete. It was finished by Franz Süssmayr and in spite of only part of it being Mozart's creation, it remains one of the most loved choral works in the repertoire, full of beautiful and uplifting melodies and harmonies, so typical of Mozart.

The concert also features 'I Sing and Ever Shall', an exciting choral work by the award-winning British composer Janet Wheeler. First performed in 2016, it was commissioned by our own Musical Director, David Gibson and another of his choirs, Southampton Philharmonic Choir. This work is a powerful exploration of the many aspects of singing – from the link between breath and air, words and song and the all-encompassing joy of producing music in this way. Featuring a cantata and a dance-style movement, the piece builds to a climactic concluding statement.

This promises to be an exciting concert so please come and enjoy a brand new composition together with a work of genius from the established choral repertoire.

Timmy, the puss from last month, has since been re-homed. He joined another one of our rescue cats who had been adopted previously.

This is Fluffy who, despite her name, is actually not fluffy at all. She is 7 years old and would need to be the only cat in the household but can live with dogs. She would also be better suited to a home with older children.

We have the Rotations charity shop in Whitchurch for two weeks starting from Friday 12<sup>th</sup> April. This is a major part of our fundraising so please pop in.

It is also the time of year for a reminder about neutering your cats. We can help with the cost, meaning you need only pay as little as £10, please do get in touch for more information.

Did you know? A cat's nose pad is ridged with a unique pattern, just like the fingerprint of a human.

# The Church Pages

This month we celebrate Easter and we look forward to welcoming some of you to celebrate it with us at our services. As we approach that day, one of the things that we'll be focusing on is prayer. Hardly rocket science I hear you saying – a church focusing on prayer! But I'm gradually realising that sometimes when I'm meant to be praying I'm really just rattling off a list to God. We've been looking at Mark's gospel on Sunday mornings and here we find Jesus spending almost a whole night in prayer. I'm convinced this wasn't because he had a really long list! I think he set aside time undoubtedly to ask God for things but also merely to spend time with Him. This makes sense given our belief in a God who we can call Father. It wouldn't be much of a relationship with my Dad if all I ever communicated with Him was a list of my own wants – it would make for a very strange one sided phonecall! But if God is our Father then surely He wants to speak to us too.

And so in the days running up to Easter, we have our services on Maundy Thursday and Good Friday in Headley as we remember the final hours of Jesus before His death on the cross. But we are also literally setting aside some space – the little vestry room in Kingsclere as a prayer room. We are going to open the prayer room from 3pm on Good Friday and it will be open until the sunrise service on Easter Sunday. This time is traditionally when we remember Jesus having died before his resurrection. The time will be split into hour slots and people can sign up for these slots. In the room will be lots of opportunity to pray and listen to what God might have to say. There will be space to read the Bible, to listen to God's word. There will be opportunity to listen to some worship music or paint. There will also be other prayer resources, like a world map, a map of the local area, and information on charities working across the world.

It would be great if you could join us. It's the testimony of Christians down the ages, and of us as a church, that when we pray, God does amazing things!

Blessings,

**Ben.**

### WINTERSHALL THURSDAY 20 JUNE

A very special day out (and closer than Oberammergau!)

All are welcome to join to see "The Life of Christ" at Wintershall on 20 June.

Watch as hundreds of actors bring the story of Jesus to life in an open-air epic production set in stunning Surrey countryside.

The story unfolds across three captivating acts from 10am to 3.30pm. The retelling of this evocative story against the peaceful backdrop of the Wintershall grounds (a few miles east of Guildford) has a profound effect on visitors. The audience moves to different places on the estate. Mobility assistance is available free of charge.

"The Life of Christ" was written for The Millennium and has been performed every year since.

The Kingsclere Plan. We hope to fill a 53 seat coach but smaller ones are available. There will be several pick-up points, including Ashford Hill and Headley at about 8am. (Getting back by about 5pm.) The full cost should not be more than £35 for adults. (Exact prices nearer the time.) We must make a firm plan by about 7 May but we need to have an idea of numbers much sooner.

Are you interested? If so please register with either: Tom & Mary Sneyd. tom.sneyd.kingsclere@gmail.com 291230, or Hazel O'Leary. hazeloleary@hotmail.co.uk 298507

THE UNIVERSITY OF THE THIRD AGE

Do come to our next talk:  
**Cardinal  
Richelieu**

**Brian Freedland**

Brian began his career as Trainee Manager at the London Palladium and went on to work with The Royal Shakespeare Company, the National Theatre and Sadler's Wells. Since retiring he has directed amateur operatics, written scripts, and given talks.

The village of RICHELIEU, in the Touraine, was Brian's home for five years in the 1990s, and his talk mixes happy memories of French village life with the story of the priest who became Europe's greatest-ever statesman and who built the handsome, but badly-sited village alongside the family chateau.

*Wednesday 17<sup>th</sup> April -10.00am*

*St Mary's Hall, Overton.*

*Free to members – non-members £3 on the door.*

### Kingsclere Village Bunnies Baby and Toddler Group

Thank you to everyone who came to support our table top sale last month. Despite the weather it was really lovely to welcome stallholders and shoppers, with many familiar faces supporting the event. We hope to host another sale in the coming months, and we will do our best to choose a day when the sun will be shining!

### Busy Bees Pre-school Kingsclere

We enjoyed a very busy Easter time with a visit from the Easter bunny and a lovely Easter tea with parents and children. We will be closing for the Easter break on 5th April and will be ready for the Summer term from Tuesday 23rd April.

The children are looking forward to doing lots of planting in the new outside area which will encompass our theme of "Understanding the World". We have very limited availability for the summer term, so if you would like your child's name added to the waiting list, please get in touch.

Keep a lookout on the Busy Bees (Kingsclere) Facebook page for any updates and news.

INSPIRING WOMEN  
HAMPSHIRE

During a career based as Dog Unit Manager within HM Customs & Excise (London and the South East territories) Nigel's responsibilities extended to coverage of HMC&E's unit located in the British Customs Zone at Eurotunnel, France. This Customs sector was sponsored by company Purina, as was the charity 'Canine Partners'. The sponsor required representatives of each to spend time at its Crufts stand (among other events) and so began Kevin's knowledge of, bond with & commitment to the charity, 'Canine Partners'. You will thoroughly enjoy his 'illustrated' guided tour of this wonderful organisation.

MEMBERS PLEASE NOTE: Letter-clue for the April competition is "M" (for 'MIKE')

VISITORS WELCOME: £2 per person per visit.

### Kingsclere Allotments

Now we are in the Spring season (hip, hip, Hoorah!) we move into planting and sowing in earnest. We hope all your plans and expectations come to fruition this year (weather permitting).

Can we remind you to keep the grass borders around your plot cut. Also for those who have not yet made a start on cultivating your plots this year, at the very least you need to be keeping on top of the weeds and the ensure your plot is tidy. Plots that are left to go wild and overgrown will be reported to the PC. If you can no longer keep up your plot please advise one of the AMG members or the Parish Clerk so a resolution can be made. There are people on the waiting list who would like a plot to cultivate. Thank you to all who attended the Annual General Meeting in February.
