## Laurie Harris

One name that never appears in the credits for this magazine is that of Laurie Harris. Laurie has been the driving force behind the Tower for the past 20 years. As Chair of the Tower Management Committee he has fought, wheedled and charmed his way through numerous meetings, many crises and an inordinate number of editions of our much loved Village Magazine.

Laurie has been far, far more than just someone who chaired a couple of meetings a year. His own niche in the production team has been as the 'man in charge of the paper' – no paper, no Tower – simple as that! In his spare time he made sure the various machines were all in good working order.....he can even charm printers into doing what it says in the manual!

Laurie will be a very hard act to follow. We all hope that he will keep on reading his continuing legacy – not seeing too many mistakes and reflecting how nice it is that someone else has to deal with those calls that start with 'Oh Laurie - thank goodness you're in....we seem to have a problem.'!! Have a wonderful 'retirement', Laurie! We will all miss you.

## **KINGSLERE NEIGHBOURHOOD PLAN**

Thank you to everyone who has returned the Questionnaire posted to all households at the end of October. This is a community plan so your views are important. This document is being put together by residents from all parts of the village with assistance from the Parish Council in order to allow us all, as a community, to influence how and where Kingsclere develops. At the time of writing we have yet to analyse the responses as we have not yet reached the closing date of 30th November, but members of the group have already started looking at sites that have been proposed for development during the last ten years. When we have been through all the feedback we will let you know what issues and concerns matter most to you. This is just the first stage so if you were unable to get your Questionnaire back in time, you still can still drop it into us, we want to take account of your opinions at every stage of this process. ## Nature Notes

A topic on BBC Countryfile a few weeks ago was on wayside apples and we were reminded of this as our coach sped along the M4. We could see many examples quite clearly on the banks as their leaves had fallen and the fruits were plainly visible. The colour of the fruit roughly identified which type of apple had been eaten before its core had been tossed out of the car window. They would not be true to type however as they would have grown from the seed and not from a specific graft. Ramblers are great distributors of apples hence the many trees along our lanes and many are delicious- but not all.

A fine otter holt has been constructed locally by staff and volunteers of the County Wildlife Trust following otter surveys along the River Enborne last year. The site is on private land beside a feeder stream to the Enborne. Materials used were felled poplar logs and trimmed leylandii poles and it was roofed with natural materials. A fine dwelling, consisting of two rooms and a front and back door, in a country setting with river view awaits a resident!

One of our frequent gravel pit walks at Midgham made us aware of a change of occupant. Canada geese are always evident and the dominant goose species. However on this occasion not one Canada goose was present, supplanted it seems by a very large squadron of greylag geese, one of the biggest flocks we have seen.

## **SAMARITANS PURSE SHOE BOX**

Thank you once again to everyone who has filled a shoe box. Such care and love is taken over choosing every item. I would love to be present when your beautiful hand knitted gloves scarves and hats are tried on for the first time. Pauline and Maisie are great knitters each item lovingly decorated with individual details. Margaret is another great knitter. Philippa filled the first box and made extra brightly coloured Beanie hats so beloved by the boys.

It is now the beginning of November and there are 53 boxes waiting to be collected. I know there are several more on their way.

The amazing Baronious family who have been filling boxes each year, filled 35 boxes this year and they have already started collecting things for next years boxes.

If every person in Kingsclere could fill just one box that would be one more happy child.

Thank you for showing your love and kindness to an unknown child. You can make a difference to these children. This is sometimes the only gift they will ever receive.

You will probably never be thanked by these children, so I must say a very big thank you on their behalf.

Love and God Bless from Jane.

P.S. If you have never filled a shoe box (it is great fun) why not get a shoe box now and start collecting ready for 2014?

### **Kingsclere Scout Group**

Having had a fantastic summer of outdoor activities and a fabulous Summer Camp for all sections we are now actively looking for volunteer leaders to help with running the Scouts Section - this is the 10 to 14 year olds section. Our Leader numbers are about to drop below a level where we can continue to operate this age group. This is a fantastically rewarding opportunity where you have the chance to join in the adventure that is scouting whilst helping to grow the life skills of the youngsters in our community.

Next year is the 50th Anniversary of scouting in Kingsclere and we plan to celebrate that fact. We already have plans to join in with 2 county camps, one of which is at Jamboree level in the summer and is open to all sections. So you can see the activity and excitement is already growing for what looks like being a special year for scouting in Kingsclere.

If you would like to hear more then please speak to any of our Leaders or Executive committee, or please feel free to contact me on 298317, [mebeaver@btinternet.com](mailto:mebeaver@btinternet.com).

### **Kingsclere Heritage Association**

Our December meeting will be on Thursday 12th December when Mike Har-netty will be making a welcome return this time to give us a presentation "Cider Making, Ancient and Modern". We know we can guarantee an interesting and entertaining evening. Seasonal nibbles will be provided.

On 23rd January our speaker will be Mervyn Annetts who will give us an illustrated talk entitled " The Life of a Coachman". Mervyn will cover the history of coaching and his own personal professional involvement.

Kingsclere Village Archives. Do contact us if there is any area on which you require historical information. We may be able to assist from our ever increasing store of material.

### **Village Market**

As the year comes to a close I am looking to 2014 to be as good as 2013, having now managed to secure good stalls selling quality products. All cakes, jams, pickles, bread etc, are all hygiene certificated and a constant quality reflected by the amount sold at each market. Also we have wool, silks etc, household products, fresh eggs, plants, hand made cards, aloe vera skin care, and craft items. Also a sales table on behalf of St Michaels Hos-pice run by Janet. The next market will be on Saturday 25th January 2014 10am-12noon. Entry is free, so come along, see you there.

**Alan Gore 299118.**

## **Kingsclere Whist Club**

I and my fellow trustees are concerned at the decline of the Whist Club.

This club has operated at 35 George St since the days when it was the Coffee and Reading Rooms before legally becoming the Village Club in 1921. It is therefore a village organisation of some antiquity. In the 'doldrum years' of the Club during the 1970s and 80s it continued playing every Wednesday helping to keep us in being when virtually everyone else had abandoned us.

They now face the possibility of having to wind up having lost their two key organisers over a short period and with rapidly declining membership as their elderly members fall away.

For many years they have provided a valued social evening each week. Whilst exercising skills at cards you could 'set the world to rights' in congenial company. All this will disappear unless the fall in members can be reversed.

If you are new to the village you will be very welcome and you will rapidly become part of the community. Join us to start our New Year on Wednesday 8th January at 7:30pm. We need to know if you are coming so please call by 18th December. Janet Jones 01635 299950

## **Feel the BEAT!**

On Saturday 26th October – 48 excited and nervous performers from Feel the BEAT! travelled to Kent to take part in the Kent Dance Challenge 2013.

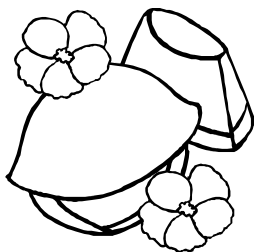

We had 11 entries to provide the children with a 'taste' of competition, instead we went one better and came home with FIVE awards. StreetBEATZ took 1st place in the Baby Stars Street & Hip Hop section! A superb achievement seeing as some of the crew members are only seven years old! Tamara Johnson was placed 3rd in the Snr Vocal Solo open – she was utterly amazing! Dance trio Ashleigh Thompson, Sophie Brown & Chloe Randall brought the house down and were awarded a 2nd place! Fusion tried something new with a Musical Theatre entry and they took 2nd place! A great performance by everyone and a big well done Joe Thompson for the vocals on this entry.

Our Snr dance crew Friction were AWESOME. In the highly contested toughest section they smashed it and were awarded 3rd place.

All the acts that took part did themselves proud, you were FAB and regardless of trophies you are ALL stars to me!

A massive thank you to our sponsors; Old Briars Property Services, J Verney Plumbing & Property Services, RPS Boiler Support, AVNO Heating, Kingsclere Parish Council, Royale Refrigeration and Air Conditioning and The Rodney Lawrence Trust.

## **August 4th 1914**

The outbreak of the First World War almost 100 years ago affected our village as it did almost all communities. Like them, we in Kingsclere wish to commemorate this most significant event in meaningful and appropriate ways. Already ideas are coming forth and plans are starting to be made by groups and individuals and I believe that it is important that there is co-ordination so that there is no conflict of dates or events which could be upsetting and unproductive.

To this end I have asked a small group of representatives of village organisations to form a working group to bring together ideas, plans and preparations. The former editor of the Tower, Fiona Sawyer, has agreed to chair this group, with the aim of ensuring that Kingsclere's commemorations are fitting, engaging, respectful and memorable. She will be in contact with groups and the working group will produce a programme of events to take place throughout 2014. Further information will reach you via The Kingsclere Tower including the first update below.

**Alan Denness, Chairman, Kingsclere Parish Council**

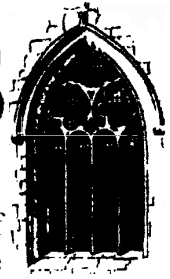

## **Commemoration of the First World War Centenary**

I have been asked by the Parish to lead a working group to co-ordinate the various plans and ideas for this commemoration and am in the throes of putting this group together.

We are aware that a number of ideas are already being developed, and we would be very grateful if ANY suggestions, ideas or plans could be put to the group before too many commitments are entered into. At the very least we want to ensure that dates do not clash and that there are not too many 'versions' of the same event, as this is, above all, a commemoration for the whole community working together and respecting our shared past.

In the first instance would anyone with suggestions or ideas please contact Fiona Sawyer, 01635 297221, [fmsawyer@hotmail.com](mailto:fmsawyer@hotmail.com).

# The Church Pages

As I write this I am struck by the contrast of two sets of images that are currently appearing on my TV. The first consists of scenes of complete and utter devastation coming from the Philippines following the horrific typhoon which has swept through those islands in the last few days. The second set are those which flash up during the commercial breaks inviting me to get caught up in a fairytale Christmas full of 'magic and sparkle' (you know who).

Of course, the advertisements are much more enticing to watch. Those from the Philippines tell a story which is frankly unbearable to imagine. And by the time you read this, the ads will still be running but the images of the typhoon will almost certainly have disappeared from the front pages of our newspaper though the extent of human misery will be no less great.

The question I am left with is this: what is an appropriate way to celebrate Christmas in such a world? I do not believe that being miserable oneself is the answer. Yet neither do I think it morally justifiable to collude with the kind of extravagance which the marketing departments of our big supermarkets hope we will succumb to.

After all, magic and sparkle need not cost much. There is magic to be found in the face of a child enchanted by the telling of the Christmas story of the baby born in a stable or in that of an elderly neighbour surprised by an unexpected visit and a home made card; a handful of tea lights flickering in a darkened room will provide as much sparkle as any elaborate outfit.

There are so many people in the world who need our extravagance at Christmas more than we do. Indeed, perhaps through sharing, we can give a bit of magic and sparkle to others and by so doing, experience some of the true joy of Christmas which is usually to be found, as the birth of Jesus tells us, in the most unexpected places.

May that experience of true joy be God's gift to you this Christmas.

**Rev Lucy (Vicar)**

## **St Mary's Guild**

In October, Emma Rivers entertained us with her presentation on 'Weddings'. By sheer coincidence, the meeting had to be held in the Lady Chapel, as the Kingsmill Room had suffered water damage after the storm. Emma gave a gift to Joan Walker, as she had been married the longest. Joan Witcher won the raffle prize (a mini manicure). Congratulations to both members.

We shall be hosting our Christmas Tea on THURSDAY 19TH DECEMBER (please note change of date). The Kingsmill room is now back in action, so we shall be meeting here, commencing at 2.15 pm. Rumour has it that we shall have a couple of V.I.P. visitors joining us. Please come along and join in the festivities - all welcome.

January meeting will be held on Wednesday 22nd January 2014, 2.15 pm in the Kingsmill Room. Revd. Lucy Thirtle has kindly agreed to come along and speak to us about her recent Study Leave. This meeting will also be our AGM - so do please come along to find out what interesting things are planned for 2014. We would especially like to hear from anyone who has contacts with speakers. We are interested in ANY subject.

### Defibrillators

These machines are a life saver in some cases where a person has a life threatening incident (cardiac arrest) to start resuscitation until a qualified ambulance person arrives. The Parish Council is facilitating the acquisition of two defibrillators to be placed in the Village. They will be available at any time day or night and will be accompanied by trained personnel who have volunteered to help.

Now comes the hard part – we need more funds! We have applied for grants and are hopeful of funds for one of the machines but ideally we would like to have two. The total cost would be £3400 which includes training. If anyone would like to donate towards these lifesavers the Parish Clerk will be available to take your donation when her office is open on Monday and Wednesday morning and at other times if you ring her on 298634.

Some time ago around six people expressed an interest in training for the use of the machines and being a front line responder. Would you now ring me if you are prepared to help with this life saving activity and I will run through the arrangements with you.

### Kingsclere Twinning Association

We were delighted that two photographers from Kingsclere Photo Club, Tony Matthews and Gordon Fawley, took first and second place, respectively, in the photographic competition in Cormicy in September. Our congratulations to them both.

We are sorry that we have not been able to organise a wine tasting as planned. However, we will be holding a “Christmas Sparkle” evening at the Village Club at 7.30p.m. on Friday, 6th December. This will be a chance to meet up with friends, enjoy a French-themed Christmas buffet and a glass of wine as well as a Christmas quiz – not necessarily French based – note the title! Tickets will be on sale from Sue Watson (01635 298940), via our email, [kingscleretwinning@yahoo.co.uk](mailto:kingscleretwinning@yahoo.co.uk) or from any committee member and will cost £8 for members (£10 for non-members) to include a two course buffet, one glass of wine and a quiz. We look forward to seeing you there.

The French theme will continue when we take over the Eco Café at the Village Club on Saturday, 7th December. Do come along and join us there for a cup of tea, coffee, chocolate or even a “citron pressé” and a French delicacy to accompany it. The café is from 9.30a.m. until noon.

The association holds a monthly French conversation group and all members are welcome to take part in this. Please contact us to find out more.

We still have young people in Cormicy who would like to communicate with similar young people up to the age of 18 years. If your son/daughter would like to find a pen-pal, please contact us on our email as above for further details.

The Cottages PlayAway after school club, 3-6pm Mon– Fri term time only and DayAway Holiday club, school holidays 8-6pm are looking for a fun reliable person to help out.

Please contact Gemma 07788 424622 or Necia 01635268570

## Fund Raising for St. Michael's Hospice, Basingstoke

At the beginning of January 2014 it will be the time for the Loose Change boxes to be collected. If you can bring them to me it would be a help, otherwise I will collect.

If during the winter months you are having a tidy up of cupboards, wardrobes, etc., please do not throw anything away. If you can fill a black bin bag with items i.e. torn sheets, thin towels and tea towels or anything that can be classed as rags, put a large label "rags" on the outside and the Hospice can collect £7.50 per bag. Please bag clothes in good condition which can be sold in the Hospice Shops. Bric-a-brac, china, glass items can be individually wrapped in paper and put in a cardboard box and all items can be delivered to me or if you give me a ring I will collect.

## Royal British Legion

When this Tower comes out Remembrance Sunday will be gone and all Collections in. May we thank all those of you who have supported us in whatever way. We will enter total money raised in the next Tower.

It is important that we carry on the Poppy Appeal so that the RBL can keep up their work in supporting all Service Men and Women past and present.

Most of you will have heard that 2014 is the Centenary of the start of the First World War. Kingsclere, like most people across the UK, will be commemorating this in some way and Hampshire County Council is asking for names of anyone who is related to anyone lost during 1914/1918, if they would like to be included in a Service to remember their ancestors. If you would like to take part in this please contact, the Parish Council Clerk on; 01635 298634 or email at [clerk@kingsclere-pc.org.uk](mailto:clerk@kingsclere-pc.org.uk)

## KINGSCLERE PARISH PATHS.

On Sunday Oct. 27th, we worked on Footpaths 68 and 53, from the school to Longcroft flats, and round towards the by pass. Many thanks to all who helped, especially Gavin and Harry Ashton, who joined us for the first time. We are trying to improve the drainage by the school and have asked Hampshire County Council Highways Dept. for help. Towards the by pass on FP 53 we cut down a lot of saplings,

which in a few years time would have grown into large trees.

The next work day is on Jan. 27th 2014, when we will have a short business meeting and sort out all our equipment.

Please meet behind the Village Club at 10 a.m.

**Heath Denness 298376**

## Bellringing

On Christmas Eve the bells will be rung to celebrate Joan Walker's birthday.

**Helen Piper.**

*Dear Editors,*

I have just become a trustee of the Village Club and I am delighted to see all the good work and support to keep this important asset a valuable part of the Kingsclere community. However I am so disappointed to learn that several items are 'going missing', most recently a newly purchased Hoover. One of the reasons the club runs so well is that there is a great deal of trust placed upon the use of the Club, it would now appear the Trustees need to investigate the cost of installing a programmable lock to ensure we keep out unwelcome visitors and of course to buy a new replacement Hoover. We would of course prefer to be spending money on improving the facilities or supporting activities within the Village Club.

**Alison Collington**

*Dear Editors,*

Is everyone supporting our local Post Office? Do all the readers of the tower always buy their stamps and post over seas mail at Kingsclere Post Office?

I have just made a discovery. I had not realised travel insurance could be made through the Post Office. I had just booked a 5 day coach holiday to Jersey for next year, but discovered because of my age and a couple of health problems the insurance for 5 days would be £37, which I was prepared to pay, but, oh dear, the excess of £1,500 made it impossible. But I was advised to seek a quotation from the Post Office where I was given a leaflet and one quick telephone call and I have booked the insurance for £16.70 and the excess is £80. Paying another £16 there would have been no excess should I need medical treatment.

The people who serve us in Kingsclere Post Office are always friendly, polite and helpful. I do believe 'use it or lose it'. What would we do if we lost this service, as some other villages have lost theirs?

**Margaret Ingram**

### **Kingsclere Photos—past and present**

I've just created a 'set' of photos on Flickr (the photo sharing website) for a handful of events in Kingsclere in 2013.

You can view these, along with other event and historical images, at: <http://www.flickr.com/photos/65199364@N07/sets/>

Please take a look! I'll try and capture some different events next year.
