Your Village Magazine

"Use it or lose it" is a phrase we hear a lot in wildly differing circumstances.

It is so true for local village amenities and services. Over the years many shops, for example, have come and gone. Years ago Kingsclere had a bakery, ironmonger and quite a few more pubs than now. But custom declined and they disappeared.

It's important to 'shop local' or we will find the option to do so is gone. Online shopping is helpful, but it's no good if you are in the middle of cooking and need an ingredient, or feel ill and need some medicine now, or professional advice on medications (see page 10 for a notice from our local chemist). Regularly shopping locally will make sure we have these last minute and emergency options available.

Riparian duties – This is the time of year when we need to think about the state of Hampshire’s land drainage network. As the rain begins in earnest and leaves begin to fall, all riparian owners (those who have watercourses on or bordering their properties) across Hampshire, and beyond, should be looking at the state of their drainage ditches, pipes, culverts and other watercourses to ensure there is unobstructed conveyance of rain water and a reduced risk of localised flooding.

If you have any enquiries regarding this or any other areas of flood risk management, please visit Hampshire County Councils website at <https://www.hants.gov.uk/landplanningandenvironment/environment/flooding>

Neighbourhood Plan – Kingsclere Parish Council is delighted that five years of hard work has paid off and that the village overwhelmingly supported adoption of the Kingsclere Neighbourhood Plan. Over the next eleven years developers will have to abide by the clear criteria laid down in the plan, and the building of the fifty houses allocated to the village will not be a free for all.

NEXT PARISH COUNCIL MEETING – will be at 7:30pm on Monday 29th October 2018, in the Village Club, (unless otherwise notified). We welcome the attendance of all parishioners at our meetings and anyone who wishes to raise any matters of concern will be given the opportunity to do so.

**GREEN WHEELY BINS – Collection days for October: 10th and 24th**

The result of the Parish Referendum held on 6th September was as follows:

Electorate 2,630

Number of votes cast 880 of which 255 were postal votes. This represented 33.46% of the electorate, slightly higher than average for a NP referendum in the Borough.

In support 748 (85% of votes cast)

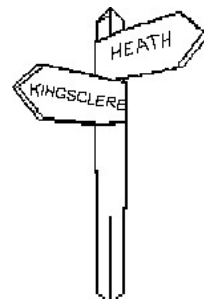

Against 128 (14.5% of votes cast)

Spoilt papers 4

In light of the referendum result (more than 50% of the votes cast are in favour of the Neighbourhood Plan) the Plan now forms part of the statutory development plan for the borough used in the determination of planning applications. The Plan is due to be formally ‘made’ at the next Full meeting of Basingstoke & Deane Borough Council held on 18 October, although this is a formality.

Many thanks to everyone who voted. It is now up to the Parish Council to ensure that the policies and projects contained in our Plan are upheld!

**Cllr. Sue Adams Chair of Kingsclere Neighbourhood Planning Group**

## Parish Paths

Our August parish paths day was unfortunately on a very wet morning, but 7 volunteers turned out and we focussed on clearing some of the routes leading to and from the bypass as well as some drainage work towards Frobury farm.

Next meeting is Sunday 28th October, meeting 9.45am in the garden of the Village Club.

## Police Report

Summary of some of the crimes which occurred last month. In the month of July there were 16 incidents (12 in Kingsclere, 1 in Headley and 2 in Ashford Hill/Wheathold) which have been classified as crimes by the home office.

### Burglary Residential - One

Burglary Business/Community - Three. At Woodhouse Farm, Ashford Hill, the feed shed was ransacked and a fence post was stolen. Twist Hairdressing in Kingsclere was broken into and items stolen and a vehicle smashed into Butlers Garage (ram raid) in Ashford Hill.

Traffic Incidents – Four. Two were damage only road traffic collisions (one on the A339) and one a minor injury traffic collision. Also a vehicle was seized for having no insurance or tax on Coppice Road.

Theft of Vehicle – Two. One from Coppice Road and one from Star Inn pub.

Theft – Three.

Shoplifting – One. A number of items were stolen by a regular shoplifter at the Kingsclere Filling Station.

Criminal Damage – One. A window smashed on a vehicle parked in South Road, nothing was stolen.

Anti-Social Behaviour (ASB) – Three.

Suspicious Incidents – Nine. Of note, the Nottingham Knockers were sighted in Harrow Drive,

Headley; a vehicle was seen on Folly Farm (likely the same one involved in the ram raid at Butlers garage); and two spaniels were initially reported as stolen from Wheathold but they later returned home. It's possible they were "too hot to handle" so returned to their very grateful owner.

Assault – Three.

## Nature Notes

A tiny butterfly, not seen in the garden before, has been identified as a Small Copper. The forewings are burnt orange and brown bordered with a scattering of brown spots while the hind wings are brown with an orange band on their edges. With an energetic whirling flight this butterfly defends its territory fiercely and is a tiny jewel among the larger butterflies.

We visited Greenham Common in late August to look for white Autumn Ladies Tresses orchids and, in spite of the extremely dry conditions, they were abundant but as they are so tiny they took some searching out. While the orchids are flourishing the usually prolific blackberries were disappointing. Many berries had shrivelled and pickable fruit was overripe and small. Better luck in 2019 we hope.

Despite some rain the scrapes on the common are dry and areas once walked around can be walked through, pondlife has gone and it will take much more rain to refill them. There is something however that continues to thrive and that is the abominable N.Z. pygmy weed, another introduction that defies being submerged, heat, cold and now drought.

The frogs are not happy. The green water plants have gone along with water lilies, shade and soft silky sediment that lined the pond bottom. The pond liner had been leaking for some time and could no longer be ignored, quite a major task, so out with the old and in with the new but of course it is now a sterile environment. They will return and, as if to reinforce this, a small yellow frog sprang into the pond as it was being filled.

Our next Speaker meeting will be on THURSDAY 18th OCTOBER when RODOLPH de SALIS will present "NINE CENTURIES OF SANDLEFORD".

An original Blue Stocking, Mrs Montagu was patron of the arts, literary critic, saloniste, social reformer and prolific letter writer. October 2018 marks her tercentenary.

# The Church Pages

"Was that the right thing to do? Am I too harsh? Did I let her get away with too much? Will she grow up with 'issues' because of me?" Those and many other questions go through my mind as I think about bringing up my daughters. Being a parent really is the hardest job ever. I realise day by day how much I have to learn and take my hat off to many others in our villages who do this job so well.

As some of you will know our family has expanded in the last few months with the arrival of our youngest, Olivia. We're particularly grateful to our church family for being so supportive; for the lovely meals; and for their generosity in many other ways, as we adjusted as a family. She has been a great joy to us and we feel especially blessed to have her as our third daughter. But it has also made being a dad that little bit more intense! Just as we'd pushed through the baby and toddler stage, with both older girls in school as of the last few weeks, we were back to stairgates and bottles and nappies! Things certainly are messier than they used to be.

As I scrub mud off my older girls school shoes after their 'irresponsible' (in my grumpy opinion at least!) play in the garden straight after school, I'm so glad that I can talk to a God who understands all these things. I can talk to him about the mess and the chaos; I can share my doubts and worries about their future; I can ask him for help for this unbelievably challenging task. And I can do that because God didn't stay away from the messes in our families, or indeed in our world, but came as a baby, as a child, as a man in Jesus. And He lived a life that was full of the challenges and sorrow, a life that didn't look much like a success, a life that wasn't easy, so that each one of us might have the opportunity to know Him alongside us, particularly when life is messy, and to give us hope for the future, a hope that weathers the storms of life, whether in our families or beyond. God is always ready to listen and for that I'm so grateful.

**Blessings, Ben.**

### Lunch Invitation from Bluebird Care

Bluebird Care, a local home and live in care provider based in Kingsclere Park, is celebrating Silver Sunday in October by cooking Sunday Lunch for older people in the local community at the Fieldgate Centre.

Silver Sunday is a day in the national calendar when we pause and think about older people and celebrate their contribution to society. The national campaign specifically targets loneliness that affects so many who live on their own.

Bluebird Care supports and cares for a wide range of people, helping them to remain independent in their own home. As part of our commitment to the local community we would like to invite anyone who is over the age of 65, and would benefit from coming to an event focussed on increasing happiness and wellbeing, for a roast Sunday lunch, from 1pm to 5pm on Sunday 14th October. If you would like to attend or you know someone who could benefit please get in touch with Bluebird Care on 01256 748394 or [charlottescott@bluebirdcare.co.uk](mailto:charlottescott@bluebirdcare.co.uk) for more information and to reserve a place. Tickets are free and available on a first come first served basis. We look forward to seeing you there!

## HELP !

As the daughter of a World War One soldier I am touched and overwhelmed with the response to my request for poppies. I now have something like 700 !

However I have only had one response to my request for help to attach them to the ropes. PLEASE can anyone else spare time to do a bit of very basic sewing - no skill required. It will be a morning or maybe two in October on a date to suit you. Please call me and thank you.

## Kingsclere Gardening Association

Meeting Thursday October 11th, 7.30pm

at the Village Club

This evening we have Mrs Rose Hardy from Hardies Plants, Freefolk, Whitchurch.

Rose Hardy is well known for winning 30 gold medals at Chelsea Flower Show. She and Rob go to all the major shows in Britain to sell their plants. Rose also does R. R.H.S. speaker days at Freefolk where their plants are also available. This should be a must see/be there evening as she is such a very busy person and very booked up for talks. Her talk is about herbaceous perennials, I think there will also be plants for sale. Members free, visitors £2.00.

The competitions that evening will be:

A vase of flowers - one kind

A vase of flowers/foilage/berries

Fruit 1 kind - a dish of 4

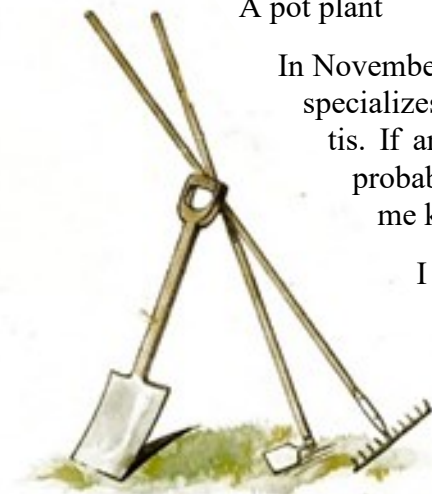

A single stem from the garden

A pot plant

In November we have Mr Marcus Dancer again, he specializes in climbing shrubs especially clematis. If anyone wants a particular variety I can probably ask him to bring it along, just let me know.

I gather from recent conversation that not everyone is aware we no longer visit houses to collect subscriptions and give membership cards. Sorry. Please come to a meeting to join.

THE UNIVERSITY OF THE THIRD AGE

Our October meeting is on Wednesday, 17th October at 10.00am in St Mary's Hall, Overton, RG25 3HA when our talk 'The Silver Thread' will be given by Elizabeth Gowing who is inspired by her time spent in Kosovo. Elizabeth's talk 'Edith and I' two years ago was excellent and this promises to be just as good as we hear how dull silver taken from the earth is made into beautiful creations by a brave new generation of women.

Our U3A is 10 Years Old! On Saturday 13th October from 10.00am-2.00pm in St Mary's Hall Overton, we are celebrating our 10th birthday. We are proud of our U3A and are keen to tell people in our district about the monthly talks and the group activities we offer. Many of the groups including Art History, Bridge, Craft, Languages, Mahjong, Military History and Family History to mention a few, will have displays and you can be entertained by the play reading group! Entry, tea and coffee are all free!
