- i. The Clerk welcomed Sue Watson from the Twinning Association to the meeting. Sue spoke briefly of the history of the Twinning group and confirmed that the Mayor of Cormicy and some representatives from their equivalent of the Royal British Legion would like to attend our Remembrance Sunday Service this year. Would the Parish Council write an official invitation. The TA have funds to provide lunch for the guests on the Sunday but if there were any funds available for other expenses it would be appreciated.
- ii. The Clerk also welcomed Beth Theobald and Eric Rampton from the Allotment Management Committee who had requested to speak but not in time for the agenda. It was agreed to allow them time to highlight the issues with 05/15.6.ii. The group have been offered a digger and driver for free but will need to pay for diesel. Would there be any funding for skip hire so that they can take advantage of this offer and the management group will manage and monitor this situation so that no further tipping occurs here. The clerk confirmed that the volunteers would be covered by the current Public Liability Insurance but there needs to be a risk assessment for machinery to be brought and used onsite.
